Unfortunately the Club Captain is ill, therefore no report was forthcoming.

### Chairman's Report:

The Chairman commented on the refurbishment of the club with a big thank you to all involved, especially BJ and NU

Torfaen Open Competition at Long Ashton. Was again a great success with an excellent turnout with clubs from all over the south and west of the country. Big thanks to Lisa, Mikes mum and Mike for providing an inexhaustible supply of bacon butties, tea and coffee etc and for running the raffle, which made the club a tidy profit.

BJ has taken over the difficult but rewarding job of Club Captain from RH

Thanks to RH for organising our Annual Club Presentation Dinner. Can you do it again for this year!

The Welsh Championship (Western Mail & Echo) cup was retained by the club with Rob Warnes winning it this year. Well done to him. Thanks to BJ who is refurbishing the base of the trophy.

The club seems to be 'teeming' with Welsh Champions with Mike Jamie winning the 25mtr Indoor Championship. Well done to him.

Tuesday Nights. The club beginner's night continues to attract a good attendance and I thank all coaches and RO's. As I said last year that I can't stress that results are measured by those joining

the club proper, and beginners should be encouraged to join the main club nights at the earliest opportunity (RO's please make these people welcome on club nights)

The Range Officers are the lifeblood of the club and I thank you all for providing your time to keep the club functioning

The Website is a great success and is generating interest in the club from all over the world. MC actually stated that the majority of new members have come from the website. Steve, thanks for your efforts.
